Christians passionately dedicated to impacting our world with God's love, one person at a time.

I have a quote from Martin Luther taped to my wall above my desk. I received it as part of a funeral memorial.

It reads as follows:

"A Christian lives not in himself, but in Christ and in his neighbor. Otherwise he is not a Christian. He lives in Christ through faith, in his neighbor through love. By faith he is caught beyond himself into God. By love he descends beneath himself into his neighbor. Yet, he always remains in God and in his love."

Recently, whenever my eyes catch this quote I find myself challenged to be more than I have been ready to be on any given day. In other words, God uses this quote to move me closer to Him and thus, deeper into loving others.

I am tempted to write more; however, I suspect you will receive more than enough to encourage and motivate you if you simply ponder the above.

Save the Date

September 30th - It's time for another family time discussion. Over the past year or so we've been setting aside the 5th Sunday of the month as a time to spend a little time together as a family talking about issues affecting us all.

Over the past couple of months individuals have been taking the remodel ideas expressed at our last family meeting and working these into some possibilities. Your Council believes we need to move ahead with some remodel work and would like to share these ideas with you and get your feedback.

In addition, new development possibilities are growing with the property to our east. These possible developments potentially affect our property, and your Council has requested and received some assessments on our current property. One possibility for us continues to be the sale of the acres between *LaPetite* and *Toby's*.

We will meet after the morning service on September 30th. Please put this in your calendars and plan on attending. We value your participation.
