Thank you for joining us for worship today! We hope you feel encouraged and that you will worship with us again soon.

Worship is not a passive activity. Worship actively centers thoughts and actions around the Eternal God who is active and alive in our life. Worship moves us out of our comfort zones and into an engagement with our world in a pursuit of justice, righteousness, compassion and action.

A nursery is provided for infants, toddlers and children up to 4 years old. A brochure of Crossroads' ministries is available in the information rack in the foyer.

Our sound system is equipped with receivers for those with impaired hearing. Ask any usher to provide one for you

If you would like a CD of today's service, please feel free to check one out from the library or call the church office.

Please join us after the morning service for refreshments and fellowship!
